

About Us

Clear IT Consulting Path™

Sendera Consulting (SC) is an international technology and business consulting firm focusing on the IT field and global market development. SC is a privately held firm based in Houston, Texas with global partners throughout the United States, Mexico, South America, Europe, and Asia.

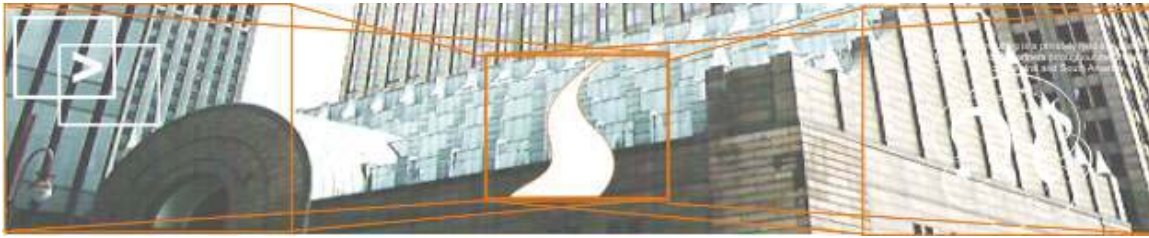

Sendera is a HUB and Certified Information Systems Vendor (**CISV**) with the State of Texas as well as a Minority/Disadvantaged (MWDDBE) certified firm with the City of Houston, Metro, & the Port of Houston Authority. Our goal is to provide private and public organizations with quality, strategic, and high-value consulting services or **solutions** that meet and exceed client's requirements, in the minimum time possible and within budget.

We focus on how technology is used to solve both technical and business problems. Our company provides integration, advice, and best practice solutions, concentrating on all phases of Information Systems life-cycles. Our experienced professionals focus on achieving the greatest possible return on investment and highest levels of customer service.

In choosing SC for your consulting needs, you get the best of both worlds: Knowledgeable, up-to-date expertise in the IT field & business development along with the personal, affordable, and un-biased attention provided by an international team of professionals.
